## TIPS & TRICKS

Duffle bags, hockey bags, or Rubbermaid bins are great for organizing clothes, and keeping them dry and secure in your cabin, tipi or yurt.

Label all items with name and last initial.

Play with your gear: get to know how to pack and adjust your backpack, find out if your rain jacket has secret pockets for lip balm, or see how fast you can stuff and compress your sleeping bag.

Please keep expensive valuables and other items that would be greatly missed at home. Camp Chief Hector YMCA is not responsible for lost, broken or stolen items.

## WEATHER

Activities and expeditions are rain or shine. Summer weather can be hot, sunny, and dry OR cold, wet, and snowy.

Pack clothing items that can be layered for comfort in all weather.

## HIKING BOOTS

Essential for covering uneven or rough terrain on day hikes.

Break them in before coming to camp by wearing them for 5 or more days. Breaking boots in helps to prevent blisters.

## CHOOSING A PACK

Try packing your backpack at home to make sure your sleeping bag, sleeping pad, and clothing fit with room to spare for group gear and food.

Consider buying a pack your camper can grow into over several years.

## SYNTHETIC & WOOL

- ✓ Is better at wicking sweat
- ✓ Will dry faster
- ✓ Will stay warmer when wet

Cotton pulls heat from the body when wet and takes a long time to dry.

Quality gear is essential to your camper's comfort!

## NOT SURE WHERE TO START?

Mountain Equipment Co-op (MEC) has a wide selection of outdoor adventure specific clothing and gear that is affordable. Other places, including MEC and University of Calgary – Outdoor Centre also rent gear and can give you a good idea of what works best for you, your camper, and your budget. You can also borrow from friends/older siblings or have a look at thrift stores for wool or synthetic clothing.
