

YMCA Calgary Camp Chief Hector YMCA Summer Camp

DAY CAMPS 7Y-10Y – BOWFORT LODGE

ALL DAY CAMP SESSIONS RUN MONDAY TO FRIDAY* - 8:55AM TO 4:00PM

*Except week F which runs Tues-Fri on account of the holiday Monday

Camp Chief Hector YMCA Day Camps allow children to explore the outdoors, make new friends and learn about teamwork while they take part in adventures that help them make connections with the natural world.

WHAT TO EXPECT

- Campers will spend their days with the same group of 6 to 8 new and familiar friends
- Campers have a picnic lunch everyday (weather permitting). Please send your camper with lots of water, snacks and a lunch for each day they come to camp. Our site is nut aware.
- A Camp Chief Hector YMCA counsellor will lead this week-long adventure
 - o Our counsellors have certification in Standard First Aid and CPR
- Age-appropriate assistance and risk management directions are provided for campers throughout their time at our site each day.
- Campers will experience most of our camp activities including: archery, hiking, climbing tower, challenge course, games, pony petting, swimming*, arts and crafts, adventure playground, campfire and canoeing
- Each year, campers will build on their skills, knowledge and comfort level with outdoor learning
- If your camper is unsure of coming to camp, join our Facebook group for information about our Summer Camp Open House as well as Family Weekends offered throughout the year.

***Swimming:** All campers are required to take a swim test in the shallow end of our pool. Even the shallow end is too deep for many day camp campers to touch the bottom. If our certified lifeguard sees that a camper is fatigued during the test or unable to complete the test, the camper will be required to wear a lifejacket during swim times at Camp Chief Hector YMCA. This is a very low-stress assessment for our camp to gauge everyone's comfort level in and around water.

TRANSPORTATION

Return bussing is available from Canmore and Exshaw for an additional fee of \$49.50 per week. We encourage day camp participants to use the bus service.
