

OUTDOOR SCHOOLS Dormitory Assignments

It is an option for schools to pre-assign students into dormitory rooms. If you choose to do so, please fax this form to 1-403-673-2179 or email to Chris.schmid@calgary.ymca.ca at least two days prior to your arrival. Please check in with the Outdoor Schools Manager to find out which gender will be assigned to which dormitory and how many rooms are allocated to your school before making your dormitory groupings.
