

SUMMER CAMP 2018

AGES

Our programs are designed to be age appropriate to ensure the best camp experience possible. Campers must be turning the correct age for the camp by December 31, 2018 (in the autumn following camp).

If a camper is turning the next age during the summer or in fall after camp, we consider the grade they are in currently at school.

For example:

Suzy is currently 9 years-old. Typically, 9-year-olds are in grade 3. However, Suzy is currently in grade 4 and she will turn 10 next October so should register for Mistaya 10Y or Yamnuska 10Y. This will allow her to be in a tipi group with other girls who have just finished grade 4.

Contact us at cchy@ymcacalgary.org or 403-269-6156 / 1-866-430-9622 with any questions about ages and camp options.

GROUPS

You may request for your camper to be grouped with one friend. Both must be registered in the same camp option (identical barcode). We avoid setting up groups where half (4) of the campers know each other as the resulting dynamics can prove challenging. If your camper knows three other campers in the same camp, please request groupings of two and two.

Grouping requests are made in Family Zone when you complete your camper's medical information.

Building healthy communities
