WHAT TO EXPECT:

The Fox groups are full of campers who are learning to take on new challenges, connect with new friends, and belong in the natural world.

- 13-days of exciting activities and programs. These include horseback riding, day hiking, team-building activities, games, river exploration, and more. Each group's schedule is a mix of pre-scheduled and group-selected activities.
- Backpacking Preparation and Training: groups work together to create a route plan, menu plan, and ready themselves for their 3-day trip
- Fox campers feel belonging within the Camp Gray Jay community, learn and grow in the natural world, and thrive in personal and peer leadership.

YMCA CAMP GRAY JAY COMMUNITY:

- Located in the Yaha Tinda valley on the northeast boundary of Banff National Park, about an hour west of Sundre, Alberta.
- Campers and staff live in Stoney-style tipis with a fire in the middle. Meals are eaten in a lodge with full kitchen or outside at picnic tables. Toilets are outhouses; sinks and showers have warm running water.
- The Gray Jay community is close-knit. While each tipi group has its own schedule, groups will spend time with each other during activities and meal times. Campers and staff all contribute to a collective happy and fulfilling camp experience.
- Campers start their time at camp at the Shane Homes YMCA at Rocky Ridge, in NW Calgary. All Gray Jay groups will take a bus from there to and from the camp.
