MELCOR YMCA AT CROWFOOT IDENTIFICATION POLICY
For the health and safety of all participants and the security of their property and the property of YMCA Calgary, all participants twelve years of age and older must provide appropriate photo identification to gain access to the facility.

SHOWERING POLICY
Showering is required by Alberta Health Services to rinse away any dirt, oils and personal care products from the skin prior to entering the pool. Rinsing and/or covering hair assists in reducing chemical levels in the pool - which means fewer skin and eye irritations.

- Children under eight years of age must be directly supervised by an adult in the water at all times.
- The ratio under adult supervision is one-adult-to-two-children maximum.
- H₂O Workouts will run with a minimum of three participants.
- Open pool times are subject to change. Depending on other scheduled activities, lane swimming may be reduced to one lane.
