

Financial Assistance

YMCA Calgary wants everyone to have the opportunity to take part in its programs and enjoy its facilities and services. Camp Chief Hector YMCA is YMCA Calgary's unique camping and outdoor education branch. Assistance is available for those who feel they would benefit from a camp experience at Camp Chief Hector YMCA, but are financially unable, not unwilling, to pay the full fees.

YMCA Calgary raises funds annually through the **Let's Raise Campaign** (formerly Strong Kids). It is through the outstanding generosity of our YMCA family and friends that everyone can have a YMCA experience.

By receiving this brochure, you have shown an interest in giving your child/family a fun, safe and memorable camp experience. Our financial assistance program does not provide 100% funding. Partial payment is required in order to register for a program and shows your commitment to this opportunity.

OPTION 1:

Applicants for financial assistance are pre-approved if they are a verified recipient of:

- IS: Income Support
- AISH: Assured Income for the Severely Handicapped
- ACHB: Alberta Child Health Benefits

- City of Calgary Fee Assistance Card
- Letter from a partnering organization (contact the camp office for more details)

Please send your completed application, a deposit (\$50 per person) and a copy of one of the above benefits card(s) to the camp office. Monthly payments of an amount suitable to you will be required in addition to your deposit.

OPTION 2:

Those who do not qualify under Option 1 can be assessed based on their family income and size. YMCA Calgary uses the Government of Canada's Low-Income Cut-Off Chart (LICO) as a guideline.

Send your completed application, a deposit (\$50 per person) and the following documents to the camp office.

- Your 2017/18 Income Tax Assessment
- Current paystubs for each adult in the family (minimum 1 month)

Clothing and equipment for camp

Parents/guardians are responsible for all personal clothing and equipment that each participant must bring to camp i.e. sleeping bag, rain gear, warm clothing and large backpacks. Frequently Asked Questions

How does the YMCA determine how much I can afford to pay?

The YMCA uses the Canadian Government's Low-Income Cut-Off Chart (LICO) to determine your eligibility. You should pay as much of the fee as you possibly can. Your fee is based on your needs and your current financial situation. We will come to a financial agreement that works for both you and the YMCA.

If I receive financial assistance from YMCA Calgary, what is expected of me?

Please keep all information and fees discussed confidential. Ensure you have the equipment as outlined in the camp materials.

Is it possible to go to camp for free?

Everyone must pay some portion of the camp fees.

Will others know my child/family was subsidized?

Financial assistance applications and results are completely confidential. Only registration staff involved in processing your application are aware of your situation. Neither the leaders nor other participants will know this information.

I could pay the full fee if there was more time before the program. What can I do?

If you can manage the full fee with an extended payment schedule, please contact the registration office.

Can the YMCA deny my application for financial assistance?

Your request for subsidy could be denied if your financial information does not identify an inability to pay the fees.

If you have any further questions, please contact the registration office.
