December 2019

Last year, Camp Chief Hector YMCA provided Outdoor School experiences to over 6000 students in Grades 4-12. All our programs are built around the four core values of the YMCA: caring, honesty, respect and responsibility. By infusing these values into exciting outdoor activities that are tied to various programs of study, we not only teach our students specific curriculum objectives, we also provide quality character education.

To apply for Outdoor School at Camp Chief Hector in the 2019/2020 school year, please complete our online form (link below) using the seasonal registration dates provided.

for Winter 2021 programs

**June 1<sup>st</sup>, 2020**  
for Spring 2021 programs

[Click Here to Apply for Outdoor School – 2020:2021 School Year](#)

- The online form will go live on Monday, 13 January 2020 at 8:00 am. Most of the successful applications are received on the application date.
- We will make bookings based on where schools fit the best in the schedule.
- There is no guarantee that your school will be offered one of your preferred weeks.
- We do our best to accommodate as many schools as possible, but each year we receive more applications than we have spaces available.
- You will be informed if your school is placed on a waiting list.
- Applications for established programs, (i.e. ECOSchool) are more likely to ensure your school a confirmed booking, and will be given priority over custom program applications.
- Bussing is included in the cost of our traditional Outdoor School Programs if your school is in Calgary. If you book your own bussing, \$10.00 per student will be subtracted from the program cost.

Please contact me if you have any questions, comments or concerns regarding the application process.

Thank you for your support of Outdoor Schools at Camp Chief Hector YMCA.
